Total area	1 669 m²
Land type	Housing
Reference number	102091

A unique opportunity to buy a building plot located right next to vineyards and mature trees on the outskirts of the wine-growing town of Valtice. The location of the plot high above the historic city center guarantees amazing peace and beautiful views of the landscape of the Lednice-Valtice area.

Utility networks are brought to this slightly sloping plot of land: electricity, water, sewerage, and preparation for an **optical cable**. Access to the property is via a **new lit access road**. The maximum buildability is 20%. A few other building plots are available in the neighborhood, a total of 8 new family houses can be built here. This plot has the best location allowing a **view** of the iconic **minaret building in the castle park**.

The plot is located in a wonderful place on the edge of the development, approx. **3 minutes by car from the picturesque historical center of Valtice**. The city has a high-quality infrastructure: kindergarden and elementary school, secondary winery school, hospital, pharmacies, shops, restaurants and cafes. The dominant feature here is the **castle** surrounded by a park with **romantic buildings**. The city is easily accessible by train and bus, and you can easily get to the D2 highway by car.

Total area 1,669 m².
