Membership in this business center will provide you with an elegant workspace and place for meetings. Located in the sensitively renovated premises of an exceptional historical building in the center of Prague, you will find everything you need for you and your guests.

Membership provides access to a diverse and professionally developed community of members, allowing you the possibility to connect with interesting people and take advantage of opportunities. Thanks to the platform for meetings, individual networking, informal membership activities, and social events, a lively and inspiring space is created.

Location:
The premises are located in the center of Prague near Old Town Square, within walking distance of the **Staroměstská (line A)** metro station and tram stop, the **Můstek (line A and B)** metro station, or the Dlouhá třída tram stop. Letná is a 15-minute walk away and you can reach the **Náměstí republiky metro station (line B)**, where the Palladium and Kotva shopping malls are located, on foot within 10 minutes. The neighborhood is full of high-quality restaurants and cafes, shops, and cultural venues. It is possible to provide parking in the private blue zones of Prague 1.

Club membership
An annual membership will allow you to get the most out of what the club offers. The interests of its long-term members are catered to and networking managers regularly discuss their ideas and plans with them and actively help them fulfill their intentions by connecting them to the relevant people, co-organizing events, and promotions.

Annual membership is available in three different options. These are designed to suit the different ways and intensities of space usage and its benefits. These include a friendly reception team, free admission to events of various types, a private cafe, the possibility of using assistant services or administrative support, parking for you and your guests, and much more.

For their educational program, the business center focuses on current topics and trends that affect our professional and personal lives. In our modern context and together with you, the business center tries to understand and influence what will happen in economics, business, science, technology, and politics.
