The layout of the apartment on the 6th floor (accessible by a modern silent elevator) consists of a living room with a kitchen area, a bedroom, a hallway and a bathroom. A **spacious balcony**, accessible from the living room and the bedroom, provides a breathtaking view of the sunsets along the west side of the apartment.

The Whirlpool kitchen includes all appliances (dishwasher, ceramic hob, oven, microwave, fridge, freezer), the cabinets have BLUM fittings. In the hall, there is a built-in wardrobe and a large built-in storage space. The apartment includes interior furnishings, such as a stylish chest of drawers and a table by **Snel Furniture**. The price includes a **garage parking space, from which you can directly access the elevator to the apartment**.

The residence is located aside from the main road, but just a few steps from a tram stop and the Českomoravská metro station. Another advantage of the location, which is becoming an increasingly popular place to live, is very good public amenities: nearby for example, you can find large shopping centers and small shops, a post office and a hospital with the health center. There are also plenty of green areas for relaxation and sporting activities, for example, **Podvinní Park** or along the Rokytká stream.
