This air-conditioned, hyper modern villa with a high quality interior, garden, pool, and garage is currently being built in a green part of Estoril not far from the beach. The villa is also close to the center of Lisbon as well as to a large natural park by the sea.

The ground floor features a 65-meter living room with a **glass wall facing the garden**, a kitchen with a dining area, a study, and an entrance hall. Upstairs, there are three bedrooms with en suite bathrooms, and a master suite with a large closet.

It is located close to a **golf club** and several beaches, only a few minutes' drive from the **Sintra-Cascais natural park**.

Interior: 590 sq. m., garden: 330 sq. m.
