The flat fenced-in plot of land ideal for the construction of a family house is connected to electricity and has its own **water well**. It is accessed via a paved road. The maximum occupancy is 10%, the building can be located at least 50 m from the forest.

A very nice place located in the middle of nature, yet within easy reach of all services. Jesenice offers all civic amenities: a kindergarten and elementary school, supermarkets and other shops, a post office, medical services, and a pharmacy. Within a 7-minute drive from the future house is the prestigious **Sunny Canadian School**. The ride to Prague is fast thanks to the connection to the Prague Ring Road. The surrounding area is interwoven with hiking and bike trails that lead, for example, to **Průhonice Park** or to a nature park with the **deep forests of Central Bohemia**.
