The aptly named, fully furnished Stargazer villa is located close to Mykonos Town on the tranquil Agios Lazaros peninsula. Set in an exclusive gated enclave, this unique estate is built on a hillside, its stone facade seamlessly blending into the natural environment.

The villa is divided into two residences with a combined seven bedrooms with en suite bathrooms and private terraces, a **gym, saunas, steamrooms**, staff (or guest) bedrooms, and a separate studio unit. It boasts several **terraces** large enough for al fresco dining with **amazing views of the sea**.

The stylish interior has typical Mediterranean white walls, **marble elements**, recessed lighting, decorative arches, a domed ceiling, and wooden floors, stairs, banisters, and ceiling beams. The landscaped grounds feature handmade stone walls, terraced gardens, **two heated overflow swimming pools**, a wooden pergola with an outdoor kitchen, and carved steps that lead to a private **dock**. A truly luxurious Aegean hideaway.

Interior: 1,062 sq. m., land: 10,696 sq. m.
