This residential project in Zlatnická Valley offers land for sale with the possibility of building a turnkey modern, year-round villa in a recreational area of the White Carpathians only an hour away from Bratislava.

About the Project

The project offers 21 plots of land with the possibility of building a two-story turnkey villa. The plots are ready with all utilities and a private access road. Their size guarantees plenty of space for privacy and relaxation with a wide range of sports opportunities in the vicinity.

Villa

The ground floor of the villa has a separate entrance hall, storage, a living room with a fireplace and access to a terrace, a kitchen connected to a dining area, a bathroom with a shower, and a toilet. Upstairs is the villa's night section with three bedrooms and a bathroom with a shower and toilet. There are also two balconies that allow each upstairs room to be accessed from the outside. Convenient parking for two cars on a dedicated part of the plot directly in front of the villa.

Interior 122 sq. m. + 9 sq. m. balconies + 33 sq. m. terrace

Possibility to build a turnkey villa for EUR 215,000

Location

The quiet location offers many active relaxation options and is full of bike paths and hiking trails. The Tarzánia cable car, a natural swimming pool, the Skalica 18-hole golf resort, and cruises along the Baťa canals are just some of the many things to enjoy in the area.
