Would you like to have your own private slice of the mountains that you don't need to take care of? Surrounded by nature with your family and enjoying your time together, or planning a weekend alone to recharge your batteries? Be the first to ski down the slope in the morning, take a walk through the woods for hours, listen to its sounds and breathe in its scents, observe wildlife in its natural habitat, go to the sauna, take a dip in the pool, have a drink in the private lobby? This boutique project with 10 private apartments in the largest Czech ski resort with views of Mount Sněžka makes all of this possible. Estimated completion in Q4/2023.

In the [Bramberk Apartments](#) project, you're not just buying an apartment. You can also relax in the modern **lounge** with a kitchen and self-service bar, the **wellness** area with a 15-meter **pool and Jacuzzi**, the relaxation room, or the **sunny terrace**. An apartment comes with **problem-free parking** - 1 parking space near the apartment and 1 garage space directly in Pec pod Sněžkou for purchase in the hotel Javor, where you can park not only during the day while you go skiing, but also in the evening when you go out to one of the town's famous restaurants for dinner. Complete services, including those that cater to your personal comfort (delivery, shopping, securing firewood, ski passes, etc.) will be provided by the administrator, even during your absence.

This 1st floor apartment offers a living room, a kitchen with a dining room, 3 bedrooms, 2 bathrooms (1 with a preparation for an **infrared sauna**), a large entrance hall, a separate toilet and a utility room. A living room and a kitchen have access to the **south-facing loggia** with beautiful views of the forests of **the Krkonoše National Park**. With a touch of unpretentious luxury, the interiors are decorated in natural colors in muted tones. Facilities include **air-conditioning** with a heating function, an **oak staircase**, three-layer **oak floors** with a choice of 3 colors, large aluminum windows and loggia doors with insulated triple-glazed panes, wooden entrance doors with a security lock, fire protection, and hydraulic shutters, a videophone, **Villeroy & Boch and Kaldewei sanitary ware**, loggia heating, and a **fireplace** (choice of 3 types). A customized interior can be created by the Konstepti studio if the client wishes.

The building with 2 elevators is the result of the reconstruction of an architecturally important recreation center for the State Bank of Czechoslovakia from the 1970s designed by the architect **Vladimír Vokatý**, co-author of the **O2 arena**. The project includes large plots of land, guaranteeing protection against development in the immediate vicinity. The new apartments are located 200 meters from the **Hnědý Vrch ski lift** and 1 km from the **Javor ski lift**. Hiking trails, including one that goes up **Mount Sněžka** begin just outside the building. The drive from Prague to the apartment takes about 135 minutes and from Hradec Králové less than 90 minutes.

Floor are 128.7 m<sup>2</sup>, loggia 15.1 m<sup>2</sup>.
