The Hills is a newly emerging residential development of exceptional turnkey villas located in a secluded part Benhavis. Named for the La Quinta heights, on days with good visibility, you can see all the way to North Africa.

Built with high-quality materials, such as **stone** and **wood**, and with a color palette that blends in with the surrounding hillsides, the villa offers five bedrooms with en-suite bathrooms.

Terraces, fitted wardrobes, a complete kitchen, a **fireplaces**, air-conditioning, underfloor heating, a **home cinema**, **gym** room, and a security system, are just some of the many premium facilities that the villa will offer.

Benahavis is a hilly village on the western Costa del Sol. It has maintained a relaxed lifestyle and typical Andalusian architecture. Home to several golf resorts, there are also several parks with ancient ruins, a 10th century castle, and a bustling Sunday market.

Built-up area: 349 sq. m., plot: 865 sq. m.
